Subject: The US EPA FIFRA Scientific Advisory Panel will meet on November 29 - December 1, 2011 to consider and review scientific issues related to the Scientific Conclusions Supporting EPA's FIFRA Section 6(b) Notice of Intent to Cancel Twenty Homeowner Rodenticide Bait Products  
Date: 11/28/2011 10:51 AM

---

The US EPA FIFRA Scientific Advisory Panel will meet on November 29 - December 1, 2011 to consider and review scientific issues related to the *Scientific Conclusions Supporting EPA's FIFRA Section 6(b) Notice of Intent to Cancel Twenty Homeowner Rodenticide Bait Products*. The meeting will be held at the Environmental Protection Agency, Conference Center, Lobby Level, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA 22202.

All meeting materials (e.g., Charge Questions, Background Document and all Appendices, EPA materials, Agenda, Panel Roster, Public Comments) are available in the e-docket, EPA-HQ-OPP-2011-0718 (<http://www.regulations.gov>).

This meeting will be accessible thru a live online webcast. The live webcast will enable interested persons to listen to the entire public meeting and to view the PowerPoint presentations displayed at the meeting. To participate in the live webcast, please click on the link below to access the webcast instructions. The webcast link will not be active until 15 minutes prior to the start of the meeting. You must use a PC and Internet Explorer as your browser.

Link to Instructions: <http://www.epa.gov/scipoly/sap/webcast.pdf>

Please note that the webcast is a supplementary public process provided only for convenience. If difficulties arise resulting in webcasting outages, the meeting will continue as planned.

Additional general information concerning the meeting, including the webcast information, is posted on the SAP website, <http://www.epa.gov/scipoly>.
